BE the Movement™

Did you know with your visit today you are helping to conserve and protect the Bay and the animals you meet? Our **501(c)(3) non-profit mission** is to protect, restore, and inspire conservation of San Francisco Bay and its watershed from the Sierra to the sea. Your ticket purchase helps fund our work to protect our local coastal waters, delta, rivers, wetlands, and all the wildlife that call this place home, as well as our education initiative which provides more than 25,000 young students with FREE programs each year.

BECOME A MEMBER!

Become a Member and enjoy access to our sharks, jellies, octopuses, and otters for a full year! Join our community as we celebrate life in the Bay with events, lectures, additional savings, and more.

INDIVIDUAL \$119
FAMILY \$160
FAMILY PLUS \$185

VOLUNTEERS

Volunteers are vital to the operation of all of our programs. Joining our team through our marine volunteer opportunities can make a meaningful contribution. From helping educate the public to assisting with daily responsibilities, we simply could not do it without volunteers.

SAN FRANCISCO
MUSEUMS *for all*

TODAY AT THE AQUARIUM

DISCOVER THE BAY

Your exploration begins in Discover the Bay, featuring the animals found in San Francisco Bay. These animals are unique because they are able to adapt to constant changes in salinity and water temperatures.

UNDER THE BAY

The scuba diver's view of the Bay without the scuba gear! Come face to fin with a Giant Sea Bass; only 1,000 left of these on the planet; sevengill sharks, bat rays, leopard sharks, and sturgeon.

TOUCH THE BAY

The magic of San Francisco Bay is literally at your fingertips in Touch the Bay, featuring touchpools with sharks, rays, and sea stars. Catch a fun interactive presentation at the Bay Lab.

NORTH AMERICAN RIVER OTTERS

Enjoy the charismatic North American river otters as they play, swim, romp, and wrestle. Be sure to catch the otter chat and learn about their unique free contact training.
